Attention Mr. Dave Aldrich

October 20, 2004

Dear Mr. Aldrich,

We wanted to take the time to tell you how pleased we were with the remodeling job your company did on our bathrooms. From the first appointment with you to look over the job, to your proposal presentation, labor and clean up we found you and your employees to be professional and pleasant. The job started and ended on the original timeline, there were no surprises and you and your employees were cooperative when we changed our mind about the tile. The best part is we are thrilled with the improvement to the two bathrooms. We would recommend you to friends and family; there is much to be said for the peace of mind that comes when turning a household project over to a competent contractor such as Aldrich Contracting. Thank you.

Sincerely,

Bob & Shelley Raker
